Ayinger Bavarian Pils

Tasting Notes: Ayinger Pils is the flavor of a fruitful barley harvest, seasoned with noble hops: a brisk golden lager with snappy hop aroma and velvety-soft malt flavor, from locally-grown barley. A thick creamy head rests atop this brilliantly clear, golden elixir. Ayinger Pils shows the masterful perfection of four classic ingredients melded by a family's generations of brewing skill: barley malt; hops; water from an Ice Age aquifer via the brewery's well; and lager yeast.

Ayinger beers all hold the European Union's Protected Geographical Indication certification.
