Merchant du Vin, Specialty Beer Importers Since 1978

The beautiful village of Aying nestles in the pastoral Bavarian countryside 25 kilometers outside Munich, home to the family-owned Ayinger Brewery (pronounced **Eye-ing-gr**). Since 1878 Ayinger has made exquisite beers in strict accordance to the **Reinheitsgebot** - the 1516 German beer purity law. Ayinger beers hold European Union "PGI" certification, as well.

Ayinger has been recognized with many accolades, medals, and awards: Gold medals from the World Beer Championships, where Ayinger typically places first in every category entered; repeat gold medals from the Deutsche Landwirtschaftsgesellschaft (German Agricultural Society); top honors in the Helsinki Beer Festival, and countless national and international rave reviews.

Classic Bavarian unfiltered wheat beer: golden, fruity, and thirst-quenching with an immense head and complex, spicy clove character from a traditional yeast strain. Pair with sausage, pretzels & Dusseldorf mustard, vegetable pâté, or Crab Louis. Serve in an Ayinger weissebeer glass: pour most of the bottle; swirl to suspend yeast; pour the rest. ABV: 5.1%

Dark unfiltered wheat beer - amber in color, very fruity, bursting with flavors of apple, cloves, and a bit of caramel. Serve in a tall Ayinger weissebeer glass with lemon beurre blanc sole, broiled game hen, venison, corned beef sandwiches, sausages, or lemon chicken. The yeast sediment in the bottle is tasty and healthy - pour most of the bottle, swirl, and pour the rest. ABV: 5.8%

Brisk golden lager with snappy hop aroma and pure barley malt flavor, originally inspired by Czech Pilsner beers. Elegant and forward hop aroma; velvety-soft yet rustic malt flavor, from locally-grown barley. A thick creamy head rests atop this brilliantly clear elixir. Try with classic German cuisine, sushi, or jerk chicken. Available year-round, four-packs & draft. ABV: 5.3%

Golden "export-style" lager with a medium body, a very pure, clean malt flavor, and a long lingering finish with a dry hop tone. Serve in a "willibecker" glass with schwammerlsuppe (mushroom soup), herbed pancakes, pork roast, eggplant Parmesan sandwiches, sauerbraten, falafel, or pot stickers. Great with fish. ABV: 5.2%

Traditional "old-style Bavarian dark" lager. Deep amber-brown color, inviting sweet aroma, and a satisfying malty flavor with a hint of coffeeish flavor in the finish. A great match to pasta with meat sauce, potato dumplings, spicy vegetarian chili, fresh-baked bread or egg rolls. Serve in a "willibecker" glass or mug. ABV: 5.0%

A classic Bavarian lager: Rich deep golden color, big malty nose, and full body balanced by strength. Layered complex malt flavor; clean finish from long maturation. Serve in a "willibecker" with telerfleisch (boiled beef), pretzels, radishes, goulash, clam chowder, bockwurst, wiener schnitzel, or grilled trout. ABV: 5.8% **Fall Seasonal**

Fascinating, strong wheat beer: classic aromatic Bavarian weizen aroma, smooth body, huge head, and flavor that is the essence of the wheat harvest. Big, full-flavored beer but with all elements in perfect balance. Serve in a weissebeer glass with smoked pork chops and sauerkraut, full-flavored game or duck dishes, or spicy cuisine. ABV: 7.1%

Profoundly dark, rich lager with cascading layers of deep malt complexity. Full body and semi-dry finish; aged six months prior to release. Serve in a stemmed Celebrator glass or red wine glass with pastries and dessert, roast goose, cured ham, wild turkey filet with Dijon sauce, chanterelle mushrooms, or after dinner with a fine cigar. ABV: 6.7%
